

ATWOOD DRESSING ROOMS

The Atwood has 8 dressing rooms. Two rooms located on the ground floor next to the stage and six rooms located in the basement under the stage. All dressing rooms have makeup counters with mirrors, chairs, wastebaskets, and incandescent lighting. All dressing rooms have a paging system with stage audio feed.

Room 222 is a star dressing room for one or two person/s with a shower, sink, and restroom. This room is on the ground floor approximately 15 ft from the stage right entrance. The room has a small sofa. A phone can be added to this room with a two-week notice and additional cost.

Room 223 is an eight-person dressing room with a shower, sink, and restroom. This room is on the ground floor approximately 20 ft from the stage right entrance.

Room's 123 a, b, and c are located in the basement under the stage with access to both stage left and stage right via stairs. These rooms have dividers that can be removed to create a larger space. Room 123a is a ten-person dressing room with a sink. Room 123b and c are single rooms that serve as a twenty-person dressing room with two sinks and an 8 ft table.

Room's 128a, b, and c are located in the basement under the stage with access to both stage left and stage right via stairs. These rooms have dividers that can be removed to create a larger space. Room 128a is a ten-person dressing room with a sink. Room 128b is a ten-person dressing room with a sink. Room 128c is an eight-person dressing room with a sink.

Room's 123 a, b, c and 128 a, b, c are shared by the same hallway. Restrooms with showers, sinks, and toilets are located at the end of the hallway. This is in compliance with Equity standards. The hallway has paging speakers with a stage audio feed and an internal phone. There are a total of 68 makeup stations available.

Additional Dressing Rooms may be available with an additional cleaning fees charge to the User. Request must be made with a two-week advance notice in order to schedule additional dressing rooms if available.

A Wardrobe room with two washers and two dryers is located in the basement sharing the hallway with dressing rooms. The wardrobe room contains steamers, sewing machines, 8 and 6 ft tables, clothes racks, and an industrial sink. Client must supply their own cleaning and repair supplies. Additional power and dryer

hookup is available in the wardrobe room. Rolling costume racks are available but a limited number exist and are assigned on first come first serve basis. An internal phone is available.

A road box storage room with a sink is located next to the wardrobe room. The rolling costume racks are stored in this room as well as additional 6 and 8 ft tables.

An Actor's Lounge is located in the basement next the wardrobe room. The lounge contains a refrigerator, microwave oven, coffee makers, cabinets, four (4) couches, chairs, tables, and a video monitor with stage feed. Refrigerator and cabinets can be locked but client must provide the pad locks. The lounge has the paging system available. The lounge has a phone (907) 263-2959 that has outside access with a phone card. Additional phone and /or fax lines can be added with a two-week notice.

A Production office is located in the dressing room hallway on the basement floor. The office is a two (2)-person room with two (2) desks, chairs, and a drafting table. The room has a phone line (907) 263-2958 and a fax line (907) 263-2744. The clients must supply their own fax machine. The phones have outside access with a phone card.

All rooms in the basement can be easily access by a freight elevator.

All dressing room hallways must be kept clear for fire egress established by local fire codes. The Anchorage Fire Marshall must approve any storage of road boxes in corridors.

Catering is allowed in the dressing rooms and lounge. A license caterer must serve all alcohol. The client is responsible for cleaning dressing room areas.
